

Admissions Procedures:

Listed below are the steps required for entry into the Phlebotomy program at Southeastern Community College. The steps are provided as a guideline and, in all cases, the student should work closely with a Southeastern Community College Admissions staff in the admissions process.

1. Complete and return the Southeastern Community College Admissions Application.
2. Take the college placement assessment in the Counseling Center. Placement assessment dates and times are available in the Counseling/Admissions Office or at www.sccnc.edu. SAT or ACT scores may substitute.
3. Request official high school and college transcripts to be sent to SCC. Applicants must have a high school diploma or GED.
4. Applicants must have credit for the following college courses:
 - a. Improved College Reading, RED 090, with a “C” grade or better or place out through the college placement assessment.
 - b. Essential Mathematics, MAT 060, with a “C” grade or better or place out through the college placement assessment. It must be current within the past three (3) years of the application date.
 - c. Introductory Algebra, MAT 070, with a “C” grade or better or place out through the college placement assessment. It must be current within the past three (3) years of the application date.
5. Once the above are completed, the applicant must meet with a member of the Admissions staff to complete the application for Phlebotomy by:

Fall 2010
Spring 2011

August 4, 2010
December 17, 2010

Acceptance into the Phlebotomy program will be announced to the **20** best qualified applicants on:

Fall 2010
Spring 2011

August 5, 2010
December 18, 2010

Final acceptance will be based on the admission requirements as described in the current Southeastern Community College catalog.

NOTE: For an individual student, there are only two (2) admissions into the Phlebotomy program in a five (5) year period.

Revised 12/09

Best Qualified Criteria:

Applicants to the Phlebotomy program are selected on a “best qualified” basis. After the application deadline the applicants are ranked in order of qualifications. Qualifications are determined by the following criteria. Each criterion is assigned a point value. These points are tallied and ranked numerically in order to identify the best qualified applicants.

1. Grades in college courses related directly to the Phlebotomy program at SCC.

RED 090	Improved College Reading
MAT 060	Essential Mathematics
MAT 070	Introductory Algebra
CIS 110*	Introduction to Computers
PSY 101*or 150	Applied Psychology or General Psychology

* Required courses for completion of the Phlebotomy certificate

2. Previous health professional training or proof of current certifications as listed below (points for the one highest level earned):
 - a. High School Allied Health I & II, NAI, In-Home Aide
 - b. NAI (college), EMT, EMT-D
 - c. NAI, EMT-I, Pharmacy Tech, Gerontology, Medical Assistant
 - d. LPN, Paramedic, MLT, Respiratory, Radiography, Medic, Surgical Tech
