

# **Southeastern Community College**

## **Tobacco Use Policy**

Smoking or using tobacco products in any building on the Southeastern Community College campus is not permitted. Students should limit smoking or the use of tobacco products only to designated areas outside buildings, and they should use appropriate receptacles for disposal of used tobacco products.

The designated areas are as follows:

- A Building* – downstairs – southeast side
- B Building* – outside of the east door (cosmetology)
- C Building* – east side of building that faces the parking lot
- D Building* – west entrance into auditorium lobby
- G Building* - west side of building near gym entrance
- H Building* – tobacco products are prohibited due to day care
- L Building* – east side of front entrance away from entrance
- M Building* – east side of north entrance doors – away from doors
- N Building* – west side of building away from doors
- R Building* – west side of building
- S Building* – picnic tables on south side of buildings
- T Building* – east entrance of building (back door near drink machines)
- CART Building* – southwest entrance of building
- BLET/Firing Range* – south side of firing shed on cement pad
- Nature Trail* – tobacco products are prohibited due to fire hazard
- Baseball & Softball Fields* – at the end of the dugouts along the fence line
