News Release

August 4, 2009

For immediate release

SCC Holds Registration, Advising for Fall Semester

There is still time to register for fall semester classes at Southeastern Community College. Registration is August 12 through August 17, from 8:00 am until 7:00 pm, Wednesday, Thursday, and Monday; and from 8:00 am until Noon on Friday. Fall semester classes begin on August 18, 2009.

If you are concerned about money for college, don't worry. It is not too late to apply for financial aid. Go to www.fafsa.gov to complete the Free Federal Application for Financial Aid (FAFSA). Grants, scholarships, and loans are available to assist students in paying for their education.

The admission process is painless. New students must complete an admission application and take a placement assessment. The placement assessment determines the appropriate English, reading, and math courses for each student. The placement assessment is given every day during the registration period and at other times throughout the year.

In preparation for the new academic year, the college will be closed on until 2:00 pm Monday, August 10, 2009 for professional development activities. Go to www.sccnc.edu for more information on curriculum programs, admissions process, placement assessment, tuition, and financial aid, or contact the college at 910-642-7141, ext. 400, 363, 327, or 263.
