Motown Headlines Burkhardt Series at SCC

The Legends of Motown and More featuring Horizon will kick off this year's Richard F. Burkhardt Fine & Performing Arts Series on Friday, September 25 at Bowers Auditorium. This Motown group of three Detroit based professional performers, backed by a world-class instrumental ensemble, commands the stage and the audience from start to finish.

Handpicked for their voices, their super charged dance routines, their engaging wit and obvious love for the music, they are a perfectly polished theatrical ensemble, reveling in the glory days of Motown.

Whether Horizon is singing hits by the Temptations, the Spinners, Smokey Robinson, Marvin Gaye or Earth, Wind and Fire, its as if the original group has stopped by for a quick visit.

When the Tonight Show with Jay Leno takes notice; when Chevrolet chooses this group to represent them nationwide; when Business Week grants an entire article...you know you are witnessing the real thing!

Sing along or dance in the aisle to Motown hits such as My Girl, I Heard It Through The Grapevine, I'll Be There, I Need Your Lovin' and more for the bargain ticket price of \$12.50 per person.

Tickets may be purchased at the door, in advance by calling 910-642-7141, extension 260, online from TicketLeap on the college website www.scnc.edu, at J. S. Mann's in downtown Whiteville or by visiting the college, A-Building Office A-103.

SCC students will be admitted free with a valid SCC ID and Columbus County public and private school students will be admitted for \$5.00 with a valid school ID.

A special thanks is extended to Whiteville City Schools for the use of Bowers Auditorium. The Richard F. Burkhardt Fine & Performing Arts Series is sponsored by the SCC Foundation.
