Medication Aide for Skilled Nursing Facilities Exam Preparation Class

The Medication Aide Exam Preparation for Skilled Nursing Facilities class will meet on Tuesdays and Thursdays, July 7 through August 4, from 6 to 9 p.m., in N108 at Southeastern Community College. Enrollment is limited to 10 students.

This class prepares individuals to take the Medication Aide Exam administered by the North Carolina Board of Nursing for employment in skilled nursing facilities. Students learn policies and procedures for administering medications in a variety of forms, including liquid, pill and topical. Individuals who have Nurse Aide I certification and pass the Medication Aide Exam are prepared to work as a medication aide in a skilled nursing facility.

There is a \$55 tuition fee and a \$10.35 book cost payable at the first class meeting.

For more information or to pre-register, contact the Columbus County JobLink Career Center at 642-7141, ext. 261, or visit the Center located in A-Building at Southeastern Community College at 4564 Chadbourn Highway in Whiteville.
