SCC Offers Introduction to Blueprinting Course

Southeastern Community College's Small Business Center is offering a NEW course, "Introduction to Blueprinting" on Tuesdays and Wednesdays, November 17 through December 15 from 6 to 9 p.m. in CART-164 on the college campus. The registration fee is \$65 which is due at the first class meeting.

This course is designed to help get a better understanding on blueprint reading. Topics that will be covered during class will include symbols, abbreviations, conventions, sketching principles and practices in orthographic and pictorial form. You will be able to understand, effectively interpret, translate, and use materials in your construction project. Taking this course will help the professional contractor as well as the individual who is preparing for the North Carolina Contractor's Examination.

To pre-register or for more information about SCC's Small Business Center, contact Brenda Orders at 642-7141, ext. 419, borders@scnc.edu or Jeanell Sweat at 910-642-7141, ext. 397, jsweat@scnc.edu. Visit SCC on the Internet at www.scnc.edu.
