

## SCC Environmental Action Club Awards Scholarships

Southeastern Community College Lab Assistant and Instructor Teresa Lengner presents Environmental Action Club Scholarships to James "Landon" Autry of Whiteville and Yvonne Mullins of Chadbourn. Danial Khan of Bolivia, not pictured, also received a scholarship. Club members hold fundraisers throughout the year to offer the awards, and a scholarship committee selects the recipients. Active Environmental Action Club members of good character who maintain a 2.5 grade point average and complete an application are considered for the competitive scholarships. For more information about the club or the SCC Environmental Science Program, contact Rebecca Westbrooks, faculty chair, at (910) 642-7141, ext. 291 or [rwestbrooks@sccnc.edu](mailto:rwestbrooks@sccnc.edu)
