CARES Fund

Hi SCC Rams,

During the Spring 2020 semester, we received funding from the US Federal Government for students due to the interruption of instruction because of the Coronavirus Pandemic. We created an application process for students to submit for CARES Act Funding. The application process has closed; however, we have remaining CARES Act funds that we are awarding to our currently enrolled students for the Fall 2020 semester that meet certain eligibility requirements. Funding is based on credit hours enrolled at a certain point in the semester.

You have been awarded this CARES Act funding. Check your Self-Service account for information on your award amount. Due to the special circumstances of these funds, SCC has granted a one time approval for students to pickup these checks from the college. We have set two days, **Thursday, October 22nd and Friday, October 23rd**, for students to come to the college and pick up their CARES funding check. Please bring photo ID, including your student ID or current driver's license to pick up your check. See the information below outlining the dates and times for check pick up. There will be signs setup on campus to help instruct you with the pickup. If you have any questions, please contact the Financial Aid office at 910-788-6214.
